C. H. JOOSTEN, Importer

85 Dey Street, New York

Prices in this catalogue are subject to change after Sept. 1st.

Please order early—before July 20th.

...TERMS OF PAYMENT...

To cover advance payments for Duties, Freights, Insurance, Custom House and other charges of importation *one-third cash on the delivery of the goods*, balance in 60 days except when otherwise arranged. Three per cent. discount allowed if full amount of invoice is paid within 10 days from date thereof. One-half per cent. interest per month will be charged on bills over-due. *Correspondents unknown to me* are requested to send cash with order, or satisfactory references.

...CONDITIONS OF SALE...

As heretofore I will aim to supply the best of stock grown by the most reliable growers, *but in no case will I assume any responsibility for the growing or flowering of any seeds, bulbs or plants supplied by me, nor will I guarantee any bulbs or plants, delivered in apparent healthy and sound condition, to be free from disease. If goods are not accepted on these terms, they must be returned to me at once, and money paid therefor will be refunded.*

Complaints must be made within 3 days after receiving the goods, otherwise they cannot be considered.

All goods are delivered free of cartage to railroad or steamboat.

LILIES FOR FORCING.

Special prices quoted on *Lilium Harrisii*, 5-7, in bond or duty paid on lots of 5,000 to 10,000 or more.

Grown in Bermuda, and are supposed to be as free from disease as any offered.

The *Lilium Harrisii* (Bermuda Easter Lily) and *L. Longiflorum* offered by me have been grown on new soil. In view of the large quantities of diseased bulbs exported from Bermuda, I have been very particular to procure for my customers the best quality obtainable, and have spared neither expense nor care to accomplish this object.

Concerning Van Namen's Excelsior Mammoth Autumn Snow-white Cauliflower, Mr. H. W. Gardinier, seedsman, at Troy, N. Y., under date of October 25, 1899, writes: "This seed produced the largest head we have ever seen. I send you sample weighing 9 1-2 lbs., measuring 37 inches in circumference and 19 inches over the top. It is not only large, but very white, compact, firm and uniform in shape, making a good shipper and would attract great attention in any of the New York markets. We take pleasure in forwarding you another order for more of Van Namen's Excelsior Mammoth Cauliflower."

Van Namen's Radish, scarlet, white tipped. Per $\frac{1}{4}$ lb., 15c.; per lb., 40c.
